Re: Notification of En Parte Communication
MB Docket Nos. 02-277, 01-235, 96-197, 01-317, and 00-244

Dear Ms. Dortch:

This is to advise you, in accordance with Section 1.1206 of the FCC's rules, that on February 11, 2003, George Mahoney, General Counsel and Secretary of Media General, Inc., and I met with Dr. Simon Wilkie, Chief Economist of the FCC, to discuss Media General, Inc.'s interest in repeal of the newspaper/broadcast cross-ownership rule in all markets. The discussion addressed Media General's reasons for repeal of the rule; the public interest benefits, such as the delivery of more and better local news, that result from convergence of newspaper and broadcast properties; Media General's experience that there is no "real world" connection between diversity of ownership and viewpoint; Media General's concern over any FCC attempt to craft a single rule to address ownership of various types of media outlets; and economic studies that have been lodged in this proceeding.

As required by section 1.1206(b), two copies of this letter are being submitted for each of the above-referenced dockets.

Very truly yours,

M. Anne Swanson
